2023-2024 Dependent Verification

Your 2023–2024 Free Application for Federal Student Aid (FAFSA) has been selected for a process called verification. Federal law requires that an institution verify certain information that has been listed within the FAFSA before federal aid can be disbursed. To complete the federal verification process, the financial aid office will compare the information that has been listed on your FAFSA to the information listed on this worksheet along with other documents submitted. If there are differences, your FAFSA information will need to be corrected.
