

Scholarship Appeal Form

Appeals must be received by July 28th

****This form should not be completed by entering freshmen requesting a scholarship appeal. This form is only for current students that have not met the renewal criteria to retain their scholarship****

A student that does not meet the renewal criteria for the College of Charleston Merit Scholarship/Jasper Adams Scholarship/Institutional Scholarship is given the opportunity to appeal based on mitigating circumstances beyond the student's control. Mitigating circumstances include a serious health condition, the death or serious health condition of an immediate family member or a traumatic/extraordinary event. Mitigating circumstances do not include college adjustment issues, problems with roommates, difficult course-load, misunderstanding of scholarship requirements, lack of GPA rounding, etc.

This scholarship appeal process is just for the College of Charleston's institutional scholarships, such as the College of Charleston Merit/Academic Scholarship, Jasper Adams Scholarship/Institutional Scholarship, Access to Excellence Scholarships and does not apply to state scholarships (LIFE, Palmetto Fellows) or scholarships awarded by individual departments. Additionally, a student who is attending summer school does not need to submit an appeal if the completion of the summer courses will result in the scholarships being renewed.

Scholarship appeals will be reviewed by the Scholarship Committee. All students will be notified of the appeal decision via their College of Charleston email accounts. Please note that mitigating circumstances do not guarantee approval of the scholarship appeal.
