*The College of Charleston defines program completers as individuals who earn a teacher education degree or certificate and successfully complete clinical practice. College of Charleston program completers are not required to pass Praxis II to receive their degree. UG represents students in our undergraduate, initial preparation programs. G represents students in our M.A.T. initial preparation programs. Title II does not provide statewide data disaggregated by program level.

¹ Number of completers taking one or more assessments within their areas of specialization.

² Summary level “Number Taking Assessment” may differ from assessment level “Number Taking Assessment” because each student is counted once at the summary level but may be counted in multiple assessments at the assessment level.

Table B provides Praxis II single assessment pass rate results for College of Charleston program completers who graduated within the specified academic year and area of certification. The single subject assessment pass rate results are grouped by College of Charleston teacher education majors. The Principle of Learning and Teaching (PLT) tests are grouped together in the last section. Data is derived from the 2022-2023 Title II Federal Pass Rate Report. State performance data is provided for comparison points.
