

## College of Charleston Praxis II Data Derived from ETS: Attending Institution Statistics

Table A provides pass rate results for examinees who took Praxis II subject area tests and indicated they attended the College of Charleston. Data is derived from ETS Report Manager. N represents examinees who took the subject area test during the specified ETS testing period and self-reported that they attended the College of Charleston. National performance data is provided for comparison points. Data represents the highest score achieved for duplicate examinees and indicates how many examinees took the test for the first time and how many were repeat test takers during the specified testing year. The subject area tests are grouped by College of Charleston teacher education majors. Data is not disaggregated between undergraduate and graduate (MAT) programs due to a low N for MAT programs. ETS does not provide data when examinee count is fewer than five.
