*The College of Charleston defines program completers as individuals who earn a teacher education degree or certificate and successfully complete clinical practice. College of Charleston program completers are not required to pass Praxis II to receive their degree. UG represents students in our undergraduate, initial preparation programs. G represents students in our M.A.T. initial preparation programs. M.A.T. Special Education students are included in the aggregated summary pass rates and applicable single assessment pass rates. Title II does not provide statewide data disaggregated by program level.

¹ Number of completers taking one or more assessments within their areas of specialization.

² Summary level “Number Taking Assessment” may differ from assessment level “Number Taking Assessment” because each student is counted once at the summary level but may be counted in multiple assessments at the assessment level.
